

PLANIMETRIA GENERALE

The general site plan shows the property's layout. It includes a swimming pool labeled 'PISCINA' in a blue rectangle. A red cross-hatched area indicates the location of the existing building. A large green area represents the new building's footprint. The plan also shows the surrounding streets: 'VIA SANT'ANTONIO' to the north and 'VIA POLA' to the south. Other features include a yellow area representing the existing building, a grey area representing the pool, and a red area representing the new building's footprint. The plan also shows the location of the existing building, the swimming pool, and the new building's footprint.
