

The image shows a detailed architectural floor plan of a building. A red line highlights a specific path or boundary, starting from the top right, moving left, then down, and finally left again towards the bottom right. A blue 'X' mark is located in the top right corner, outside the main building footprint. The plan includes various rooms, a central staircase, and several circular areas with dashed lines. Labels '3B' and '4B' are visible near the bottom center, pointing to specific areas. The drawing is a technical line drawing with grey shading for walls and furniture.

Technical drawing of a staircase section. The drawing shows a vertical wall on the left and a sloped wall on the right. A horizontal line at the top is dimensioned as 270. Below this, a horizontal line is dimensioned as 431. A horizontal line below that is dimensioned as 453. At the bottom, a horizontal line is dimensioned as 339. A triangular area on the right side, bounded by the sloped wall and a horizontal line, is filled with diagonal hatching.
